# Title 19—DEPARTMENT OF HEALTH AND SENIOR SERVICES Division 30—REGULATION AND LICENSURE Chapter 1—CONTROLLED SUBSTANCES

#### PROPOSED AMENDMENT

**19 CSR 30-1.002 Schedules of Controlled Substances.** The department is amending sections (1) and (2) and the Purpose statement.

PURPOSE: The department is updating the list of controlled substances to reflect statutory changes to the schedules and actions taken by the federal Drug Enforcement Administration to modify the controlled substance schedules in accordance with Section 195.017, RSMo, and to correct typographical errors.

PURPOSE: [Chapter 195, RSMo states in section 195.230, RSMo that the] The Department of Health and Senior Services [shall] has prepared a list of all drugs falling within the purview of controlled substances. [Upon preparation, a copy of the list shall be filed in the Office of the Secretary of State. It also requires, in section 195.017.11, RSMo, the Department of Health to revise and republish the schedules semiannually for two years from September 28, 1971, and annually after that.]

#### (1) Schedules of Controlled Substances.

- (A) Schedule I shall consist of the drugs and other substances, by whatever official name, common or usual name, chemical name or brand name designated, listed in this section. Each drug or substance has been assigned the Drug Enforcement Administration (DEA) Controlled Substances Code Number set forth opposite it.
